

## Non-PVC

Rehau's Ecostyle line offers the next generation of non-PVC products for green kitchen, store fixture and office design projects. Available in PP and ABS materials, the Ecostyle line includes edgeband and tambour door solutions in the same selection of sizes and finishes "solid colors, woodgrains, patterns and metallics" as Rehau's traditional PVC. In addition, Rehau offers customized non-PVC solutions to suit specific budgets, applications and environmental considerations. [Na.rehau.com/furniture](http://na.rehau.com/furniture)
